

FIRE RESTRICTIONS

Restrictions on public lands, roads, and trails:

- Fires are prohibited outside developed recreation sites. Cook stoves fueled by propane or liquid gas are allowed.
- No smoking, except in a vehicle, building, or a developed recreation site.

The following acts are prohibited from 1 p.m. to 1 a.m.:

- Operating chainsaw or power equipment for any purpose.
- Operating motorized vehicles off designated roads and trails.

Additional restrictions:

- All firewood-cutting permits on lands managed by the Idaho Department of Lands and Boise and Payette National Forests have been suspended until fire conditions change.
- On State and private lands, patrol the area for one hour after work has stopped.

Definitions:

Developed recreation site: A developed recreation site is signed as an agency-owned campground or picnic area and identified on a map as a site developed for that purpose.

Designated road and trails: Those roads and trails, which are identified on maps regularly, provided to the public by Land Management agencies.
